“Dare To Make A Difference”

The Taylor Short Foundation is a 501 (c) (3) charitable organization established in 2012 as a result of a family tragedy. Taylor Renee` Short, the daughter of Jennifer and Edward E. Short Jr. died from an accidental overdose November 26, 2012. This foundation is a vision of theirs to bring hope and inspiration to the youth in this community through the example of Taylor’s life and dreams. The first step is through education and awareness. Change the way the people understand and view these issues. Introduce programs and activities that will assist our society, eliminate the stigma, and educate the community on the facts.
